Dear Parents and Caregivers,

Some important final information regarding tomorrow’s Cross-country event...

- Some wet weather is predicted, but we will be proceeding as planned unless the weather is severe.
- The School shade covers will be set up along the oval edge of the BCA. Students will sit in these and the BCA throughout the day in case of showers. They will be called to their events from there and will return there afterwards.
- Parents are asked to sit in either the covered mini grandstand that overlooks the oval and rock wall near the tennis court, or under the Car park Pick-up Shelter Shed to watch the event please.
- Students have been advised to bring an extra dry shirt and shoes/socks to change into after their event in case it rains.

Yours in HPE/Sport,

Alistair Davies
