Kidzlife is all about the life we want our kids to live

Newlife Uniting meets here at Jubilee Primary School, every Sunday at 9am, and we are excited to present a typical Sunday morning Kidzlife program to YOU on Monday April 29th! We would love you to join us in the Multi Purpose Hall at 9am for a fun filled morning with our Kidzlife Team from Newlife Uniting.

The Team from Kidzlife will be full of excitement as they bring games, activities, songs, messages and giveaways, with everything they do centered around Jesus and who He has called us to be!

God has given every child at Jubilee unique gifts and talents and as a Christ centered community we are called to encourage, inspire and nurture our children to use these gifts and talents to the best of their ability for the glory of God. One of best ways for our kids to come to understand this is through the programs we can offer as a church.

As parents we are all on the lookout for a church where our children are engaged and cared for in an uplifting environment. Kidzlife Kids learn what it means to be loved by God, to care for others and use their God given gifts and talents to make a HUGE difference in their world.

Come and meet our new Children’s Pastor, Heath Perrott, who, before joining the staff at Newlife, was a primary teacher right here on the Gold Coast.
Everyone is welcome and we guarantee your kids will be inspired and engaged! :) Grace and Peace,

Orrell Battersby, Campus Minister

Despite the fact schools are very proactive when it comes to making them safe places for kids, bullying unfortunately, is something that’s still with us. According to the 2009 Australian Covert Bullying Prevalence Study one in four kids from Years 4 to 9 experiences some type of bullying at school. Frequent bullying is highest in Year 5 (32 per cent experiencing some bullying) and Year 8 (29 per cent) so it is something that parents and teachers need to understand.

Bullying is an insidious behaviour that transgresses a child’s right to feel safe and secure. It can adversely affect children’s learning, further peer relations and their emotional well-being.

Often children will tease, argue and sometimes fight, which shouldn’t be confused with bullying. Bullying is selective and intentional. It’s also repetitious rather than a one-off or occasional event. It can be physical, verbal or social exclusion. It also now happens online, which means some kids no longer feel safe at home. Kids generally feel powerless when they experience bullying. Bullying is an issue to be discussed around the meal table, in the context of keeping kids safe. Talk to kids about their right to feel safe; how to know when they feel unsafe and what to do if they experience or witness bullying.

Knowing when kids are being bullied?

Some research suggests that around 20 per cent of bullying goes unreported so it can be difficult spotting children who experience bullying. However, kids will usually show signs in three ways:

Acting out: outward signs such as displays of unusual aggression at home, talking about hating school and getting into trouble more often.

Acting in: subtle behaviour changes such as sullenness, withdrawing from usual activities, being uncommunicative, feigned illness, bed-wetting and altered sleep patterns.

Telltale signs: more obvious physical signs such as torn clothes, items missing, altered school routes and physical injuries.

Children who are bullied usually display a combination of signs. Children often find it hard to communicate that they are being bullied. Some don’t have the language required. Many kids feel ashamed, or even believe what bullies tell them. Sometimes kids are also reluctant to tell adults about bullying, as they fear that they will take the matter out of their hands, so your approach needs to be gentle and non-judgmental.

Here are six things to do if you suspect your child is being bullied:

1. Listen to their story: It really is important to stay calm and get the real story. Kids need to be believed when they are bullied, so make sure they get the chance to talk.
2. Get the facts: Bullying behaviour usually follows patterns. An accurate picture will help you determine your next course of action, for example, whether you need to give your child some avoidance or coping strategies or gain assistance from your child’s school.
3. Recognise & validate their feelings (anger, fear & sadness are common): Bullying always elicits strong feelings so make sure kids can share their thoughts and feelings with you.
4. Give them some common coping skills & defence mechanisms: Look for some simple ways to help them handle the bullying such as making sure they stay in pairs, practising a comeback line or even walking and talking confidently.
5. Get the school involved: If your child continues to struggle with bullying contact your child’s school. Resist the temptation to confront suspected bullies, or their families. Teachers generally have very practical, tried and true ways to tackle bullying.
6. Help build your child’s support networks & their self-confidence: Positive peer groups are great protective factors for kids when they are bullied so do all you can to encourage and build their friendship groups inside and outside school.

An Inspirational Story - The Gift Of Friendship Is Invaluable

Thank you for reading!

With every blessing for the week ahead,
G'day everyone! Our first week back was an interesting one, with our Yr. 7 students, Mrs Barron, Mrs Simpson, Mr Davies and myself away on camp at Lake Ainsworth, Lennox Head. We were truly blessed with the weather we had and the camp was a great success.

We also had three of our Yr. 4 classes attend the Ashmore PCYC Bicycle Safety Centre for a bike education and safety program. From all reports the students learned a great deal and enjoyed themselves immensely.

Last Thursday, we were privileged to participate in a very beautiful Anglican post-Easter worship service lead by Pastor Ron and Pastor John. Not only was it a very meaningful service, but the two pastors made it a great learning opportunity for us all by explaining each part of the service and pointing out similarities and differences along the way. We are grateful for their wonderful contribution to the religious life of our school.

Yesterday I had the pleasure and privilege of accompanying our Jubilee School Captains, Sage Middleton, Ethan Lawson, Chloe Browne and Adam Tighe, as we proudly represented Jubilee at a special ANZAC Memorial Service for Students at ANZAC Square in Brisbane. Our student leaders represented Jubilee well at this important event.

This morning, we held our own Jubilee School ANZAC service in front of our memorial area, and this afternoon Aquinas College visited our Year 5,6 and 7’s to present to our students transitions options for high school.

As you can see Term 2 has started extremely busy, and we have much more to follow including Mother’s Day events, Cross Country, Round 3 of Interschool Sports and a school disco.

"Have a great week everyone!"
Brian Mason
As a school community we have gathered together today to commemorate ANZAC Day. We remember those brave men and women who gave their lives for us, so we can live in this wonderful country. A very big thank you to Mr Parsons and Mr Parry, for leading this Service.

Prayer of Remembrance

Today we remember with thanksgiving those who made the supreme sacrifice for us in time of war. We pray that the offering of their lives may not have been in vain. Today we dedicate ourselves to the cause of justice, freedom and peace; and for the wisdom and strength to build a better world.

We pray to our Lord.

Amen

One of the greatest privileges about being an ecumenical school is the way in which we can celebrate our Christian Faith. Throughout this term each of our the Churches associated with our school will host different events to celebrate the Religious Life of the School. As always parents and carers will be invited to these events.

Following the success of last years showcase, Arts Alive 2013 will be held again this year on 7th June 2013.

Arts Alive is an event to showcase the amazing and sometimes hidden talents of our students here at Jubilee and give kids an opportunity to perform in front of an appreciative and supportive audience.

**Visual Arts**
Students can present a visual artwork in our gallery. These artworks can include drawings, paintings, sculptures, textiles etc.

*Artworks will need to be submitted to Mr Parry by 31st May*

**Performing Arts**
Students will be required to sign the audition sheet in Mr Parry's room and go through an audition process. Students may wish to sing, play an instrument, dance or present a drama routine. **Students must sign up BEFORE Friday 26th April** so auditioning can commence.

The concert will be presented 7th June and the gallery will be open for viewing that same week.

For any questions please contact Mr Parry at: sparry@bne.catholic.edu.au

**With so many children’s books published, how do you know what to choose for your child?**

Match books with readers by building on their interests. If you child loves magic or sports or animals then that is a good place to start.

Different features in books appeal to different age groups.

Children up to school age like interactive and novelty books with lift up flaps, or parts that make noise. They also appreciate text that is very repetitive or has a definite rhythm. Books with vivid illustrations or books about home, pets and families are favourite topics.

For the beginning reader pictures are still important and help new readers to successfully work out unknown words. Books with repetitive, predictable language or rhythm are suitable. Look for simple words, large print and large line spacing.

For newly independent readers choose short chapter books with plenty of pictures to break up the words. Books with a good sense of humour are great to help the reading remain fun.

For your bookworm, be guided by them, they know what they like. Now is the time to scour garage sales, car boot sales, fetes, libraries and book clubs.

There are many sources of book recommendations, try your child’s class teacher, librarians, books store or Children’s book council on the internet.

EVENT: 2013 Jubilee Primary Cross Country Carnival
VENUE: Jubilee Oval and School Grounds
DATE: Thursday 2nd of May.
TIME: 9.00 AM - 1.10 PM
WHO FOR: Primarily Grades 3 - 7 students plus any grade 2 students born 2005
PREP TO YR 2 Prep to Year 2 students are participating in a fun race on the oval around 12.40 pm.

Full program of events will come home shortly

Parents are reminded that the school gates will be closed from 8.45 am to 1.00 pm to allow for the safe passage of our students as they run the cross country course. Stan the coffee man will be in attendance throughout the morning and spectators are asked to sit in the spectator zones on the eastern side of the oval or the BCA. Students are to remain in their house tent areas when not warming up or competing.

INTERSCHOOL SPORT: Inter school sport: Round two took place this week with fantastic performances from our Girls Touch Footy team, Rugby League, Tabloid students and Netball. We have 4 soccer teams who are also showing steady improvement and we wish all these teams well as they compete in rounds three and four coming up. Training as usual on Friday 12.10 to 1.10 pm.

PLEASE NOTE: Soccer and Rugby League have two venues and these change each week so that our teams can all play at a common set of fields. Please check the roster each week or the school website for up to date venues. Girls Touch Footy is always at Owen Park and Netball is primarily at Benowa, BUT PLEASE CHECK SCHOOL WEB SITE ON Friday’s preceding games.

RUNNING CLUB: Well done to our regular trainers. I am looking forward to seeing your fitness improvement when we see you all run at next week’s School Cross Country Carnival.

District Cross Country Carnival coming up on the 24th May
Catholic Cross Country Carnival coming up on the 30th May
AFL Auskick for P-4 boys and girls commences on Friday 26th April. Please place this date in your diary and be ready for registration this week.

Yours in Sport and HPE,
Alistair Davies

G.M. Music

This Term Mrs McNamee is offering a ‘World Music’ course for the Preps and Year 1’s. This will be small group lessons, using our vast array of new percussion and melody instruments.

I would like to thank Shane Parry for lending me these instruments.

The cost of these lessons will be $8.00 per class.

Please contact me on gillian.music@gmail.com for more information.

Have a lovely music term!

Gillian McNamee.

THE DAY 4U WENT TO ASHMORE BIKE CENTRE

By Luke Gray

On the 19th of April my class 4U went to Ashmore Bike Centre. First we went on the bus for 20 minutes.

Then we got inside and sat on the seat and Mitch, the Bike Centre person talked about how to ride safely on the road.

Mitch said, “Come to the garage and line up at the white line”. Then he gave us the bike to walk over to the bike park and he showed us how to mount our bikes.

Next he told us to get on our bikes and ride over to the roundabout and then he told us to get off our bikes and take a big step on to the grass. He then talked about which way to go and which lane to go in.

We rode for an hour then we had lunch and eventually we got to have free time and we did that for an hour, it was great fun.
Jubilee Joins the Premier's Reading Challenge 2013

This year Jubilee will participate in the Premier's Reading Challenge in all year levels Prep – Year 7. The PRC is a great opportunity to promote literacy and encourage all our students to develop a love of reading for pleasure that could carry through to adult life.

The PRC is a challenge to all students to read their allocated number of books for their year level, record this on their official Record Form, and have each entry signed by their parents. This needs to happen in the time frame of **14 May to 6 September**. The Record Forms will be collected at school early in September when results will be submitted to the Premier’s Office. Each child who completes the challenge will receive a certificate signed by the Premier of Queensland, Mr Campbell Newman.

We are hoping for a 100% participation rate! We would like Jubilee to be entered into the “Hall of Fame” for schools with full participation! To achieve this, we need the support of parents to actively encourage daily reading for pleasure, monitor their child’s reading at home and be diligent in signing the Record Forms.

</tbody>
</table>

*Experiencing a book can include classroom or at-home activities such as shared reading, listening and reading along with a text, or being read to. The requirement for Year 5 through to Year 7 students to read 15 books rather than 20 books acknowledges that older students are likely to select longer, more complex books may take them longer to read.

I will update you with hints and ways you can promote this and further information during the challenge. Probably the most important aspect of the challenge is that children learn to read for pleasure. The books they read should be chosen by them and at a level they can read.

Thanks for your help and partnership in this!

The term is up and running once again and the buzz of eisteddfod is in the air! The event is not until term three but entry forms have been sent home with every child for your attention for return to school by the end of this week. Please make this a priority as by term three all students are rearing to go to show off their new found confidence and communication skills!

The account for this term has also been issued and your attention to this is also appreciated.

Classes will begin to make early selections of eisteddfod pieces soon and these will be taken home with much excitement I am sure. Please remember to encourage some practice.

If you have questions regarding classes, eisteddfod and indeed anything to do with speech and drama, please do not hesitate to send us an email.

Wonderful Mother

God made a wonderful mother,
A mother who never grows old;
He made her smile of the sunshine,
And He moulded her heart of pure gold;
In her eyes He placed bright shining stars,
In her cheeks fair roses you see;
God made a wonderful mother,
And He gave that dear mother to me

Free treatment for children (aged 8 to 12 years) who WORRY a lot

Parents, is your child a worrier or a "worry wart"? Does your child worry a lot about everything like school, family, friends, their health and saying the wrong thing? At Griffith University we are offering a free treatment program for children aged 8 to 12 years who worry a lot.

Interested? Contact Dr. Lara Farrell 5552 8317 or Monique Holmes 3735 3305; email noworriesprogram@griffith.edu.au

Well done to Rebecca Clarke Yr. 3U on Sunday 24th March entered the Pirtek Fishing Challenge with her family. This is Australia’s largest national fishing competition with 7500 entrants from all over Australia fishing for different species of fish in their home state. The results were released over school holidays and Rebecca won Champion Junior Queensland catching and releasing the biggest Whiting in Queensland at 36.2cm long, she won from hundreds of children aged up to 16 years. This was a special win as Rebecca did win the same title last year making this 2 years in a row. Her sister Jessica from Yr. 1L also caught some big fish and just missed out on a winning place.
