Wear Purple for Epilepsy Awareness Fundraiser

This Friday 2nd May students can wear purple to show their support in raising the awareness of epilepsy. A gold coin donation will be required, please note no coloured or sprayed hair. A word from Mrs Clarke 1U. “As many parents at Jubilee know, my eldest son Zac (13) has epilepsy. It began at 10 months then was controlled by medication. In grade 3, after being free from epilepsy for 5 years, it came back again. Doctors have never found a reason for his seizures and they are not controlled by the 3 types of medication he takes twice a day. Epilepsy affects the whole life of the family. Epilepsy Queensland is an amazing service that assists families that suddenly find themselves faced with epilepsy and those who have always had it. Please get behind this fantastic day”.
