Cross Country Carnival - Catholic Schools
The Catholic Schools Cross Country is this Thursday, 29th May at St Bridget’s School, Nerang. The bus will depart Jubilee at 9:15am for a 10.00am start. Great effort from 25 of our District Cross Country Runners. Congratulations to Ciara Erwin and Antonia Hurd who both made it through to the regional level. Both girls finished 6th out of over 120 students from the Northern Gold Coast area. Stephen Quinn also ran well to finish 6th in the 13 year old section. Jubilee 10 Year old girls received a fourth ribbon and were well represented by: Ciara Erwin, Charliza Ellems, Olivia Waiwiri and Briyana Rodger. Excellent effort by all. We now look forward to our Catholic Cross Country on Thursday.

Interschool Sport for Year’s 5, 6 & 7
The Catholic School Interschool sport program for students in Year’s 5, 6 & 7 commence this Friday. Students will be transported to and from venues by bus. Buses will depart at 10.40am and return to school at approx. 2.45pm. Games are scheduled to start at 11.25am and conclude at 2.15pm. Team venues are listed on the Jubilee website under the Parent Notes section. Please ensure students have their required sports gear including mouthguards, football boots and socks.

Chicken-pox Notification
Yesterday we discovered that there are a few potential cases of chicken-pox among our Year 5 students. Parents are advised to monitor student wellbeing and to take appropriate cautions with regard to anyone who may be considered ‘at risk.’

Year 6 Leadership Day
We wish our Year 6 students and their teachers all the best for their Gold Coast Catholic Schools Year 6 Leadership Day at Assisi Catholic College tomorrow. Buses will be departing Jubilee at 6.15am sharp. Dave, Jo and Brian will be joining them at this special and historical event, as part of their leadership experience this year.

ICAS Science Tests
Students whose parents have nominated them to sit the ICAS Science Test will do so next Wednesday 4th June from 9:00am in the Jubilee iCentre.

Tuckshop Lucky Dip
Congratulations to the Tuck shop Lucky Dip Winner; Week 5 - Madeline Howell. Don’t forget to put in your Munch Monitor online tuck shop label into the entry box at the tuck shop.

Year 4 Fundraiser for “Opportunities for Life”
One third of the world’s population lacks access to safe drinking water. To put this into perspective, out of the 621 students that attend Jubilee Primary School, 207 would not have access to safe drinking water. Opportunities for Life are a charity aiming to provide African communities with clean, accessible water. Grade 4 will be selling decorated cupcakes in the BCA outside the tuck shop for the first week of June. All cupcakes are homemade and donated by grade 4 families. Cupcakes will be 50c each and we aim to sell around 960 cupcakes by the end of the week. All money raised from selling cupcakes will be donated to Opportunities for Life. Please help us to help this great cause and bring in 50c for your cupcake.

A Message From Students in Yr. 5L
This year students in 5L are collecting postage stamps for the Sisters of St Joseph. The Sisters auction the stamps to raise funds for their charitable works both inside and outside Australia. Simply tear off the corner of the envelope that has the stamps, no need to remove the stamps from the paper. Students from 5L will be seated outside the library at the early bird reading entrance from 8:20 to 8:30 daily, please drop your stamps in to them. Thank you for your help! 5L.

Trivia Night
It’s just over 3 weeks now until this year’s Jubilee Trivia Night. Time to organise your table of friends and book in for a night of trivia fun. This is a highlight on the Jubilee calendar. It’s one for the adults and it’s definitely a fun night you want to attend. The theme for the evening is “Multicultural Madness”, so choose your take on this and carry the theme through your table name, table decorations and even the characters (if you dare!). Prizes will be awarded on the night.

Due to Interschool Sport being held on Friday’s, during the next three weeks our Year 4-7 assemblies will take place at 9:00 - 9:30am Friday mornings in the Jubilee Centre instead of in the afternoons.
Life Education Program
This Thursday afternoon the Life Education van arrives at Jubilee once again, with program lessons commencing Friday and continuing into next week. This is an outstanding health and wellbeing education program that we engage each year for all of our students. Our school is very fortunate to have the cost of this program subsidised by an active local charity group called Communities For Children, which effectively means that Jubilee parents only pay $4.00 per child – less than half the normal cost – to be included in the Term 3 school fees statement.

The schedule for these sessions is as follows:
