**Easter 2013**

That is if Jesus didn’t rise from the dead then all that we believe as Christians falls apart. As Paul wrote in 1 Corinthians 15:19 ‘if for this life only we have hoped in Christ we are of all people most to be pitied.’

But he did rise from the dead. There were many reliable witnesses. Take Peter for example. On the night Jesus was arrested he denied knowing him three times. The others bolted as well! Yet just seven weeks later in the same city that Jesus was crucified Peter publicly preaches that Jesus had risen from the dead. From cowardly to courageous. The book of Acts shows that he suffered for his faith and was jailed at one time. We believe that while in Rome leading the church he was arrested and crucified.

What caused the change in him and the growth of the early church? Was it strategy, planning...no! It was the resurrection of Jesus and the empowering of the Holy Spirit.

---
Dear Parents, Staff and Friends,

My thanks to the staff, children and parents of our school for your efforts and enthusiasm during this first term. The first term is always a very busy one and can be very tiring for all at school. I hope that all members of our community find some time over the Easter break to recharge the batteries and spend quality time with family and friends.

I also encourage members of our community to spend quality time with their God over the Easter weekend. Wherever you are, please take the time to attend at least one of the Easter ceremonies so that the true meaning of the Passion and Resurrection of Jesus is brought home over the commercial hype that the season has become.

May our Easter break be a time where we take stock of the many blessings bestowed on us by our God. Too often in our hectic schedule we find ourselves getting caught up in menial and trivial incidents and issues. During the Easter break take time to enjoy and celebrate the important things in your life. Be sure to allow yourself to appreciate what is most important to you in this season of Easter.

STAFFING NEWS

Mrs. Jeanette Conway has been sick for a number of week's now. Jeanette has been in email contact and has informed me that whilst she is improving somewhat, she still has some recovery to go.

I can announce today, that Jeanette has accepted a part time, fixed term contract at St Vincent's, Clear Island Waters as Support Teacher – Inclusive Education. I wish Jeanette every success as she takes up this role and as she continues to recover physically over then next few months.

Carolyn Stewart will now step into the Role of STIE at Jubilee, beginning Term 2, 2013.

I thank Carolyn for her assistance in filling the gap over the past few weeks and her willingness to take up this position into the future.

In further staffing news, I can today announce that Ms. Amber Vague will be taking the role of Learning Enhancement Teacher (Reading) that Carolyn Stewart most recently held. Amber comes to us with a wealth of teaching experience in Australia and the UK. In saying this Amber has a deep passion for teaching and in particular, that of teaching children to read.

I am looking forward to working with Amber from the beginning of next Term.

Finally, I would like to announce that Mrs. Caitlin Deeth will be replacing Mrs. Tina Vingas from the beginning of Week 3, Term 2 as Mrs. Vingas goes on Maternity Leave. Caitlin comes highly recommended and I look forward to her joining our Year 6 team.

PRINCIPAL
G’day everyone. Welcome to the final week of Term 1. How quickly has that time passed?! 

**Parent-Teacher Conferences:** Our Semester 1 Parent-Teacher Conferences commenced yesterday and continue over the course of the week. These conferences are an integral part of our partnership with parents and assist us in providing the best support possible for our students. We are using PTO (Parent-Teacher Online) for the first time as the management system for these interviews and would be interested in parent feedback.

**Yr 5 Camp Last Week:** Last Wednesday – Friday our Yr. 5 students and teachers travelled to Midginbil Hill in Northern NSW for their 3 day/2 night outdoor education camp in the hinterland near Mt Warning. All reports have been very positive about this camp experience and we congratulate our Yr. 5 students, their teachers Mrs Parkes and Mr Meiklejohn, and the accompanying staff Mrs Sforza, Mr Sewell and Mr Parry on such a successful activity.

**Yr’s 5-7 Interschool Sport First Cluster Day:** Yesterday, our Yr. 5–7 students participated in the first of their Interschool Sport cluster days for 2013. All of our students from those grades were involved in either interschool sport against other Gold Coast North schools, or in skills development activities (Tabloid Sports) here at Jubilee. Again, all reports have been positive and we congratulate all involved.

**Yr 7 Camp Term 2, Week 1 Monday 15 - Wednesday 17 April:** First up next term, our Yr 7 students and teachers will be travelling to Lake Ainsworth Sport & Recreation Centre at Lennox Head NSW for their upcoming 3 day/2 night outdoor education camp. As well as their teachers, the Yr. 7s will be accompanied by Mrs Simpson and Mr Mason. We wish them all the best for this exciting experience.

**Holy Week Celebrations:** We finish this term with our Holy Week celebrations in the lead up to Easter, to which you are all most welcome.

Have a Happy and Holy Easter and an enjoyable school break.

Learning Enhancement News

When good readers read, they interpret, integrate, critique, infer, analyse, connect and evaluate ideas in texts in other words, they make meanings in their heads. When comprehending, readers try to understand what they have read beyond word-level to get to the big picture. When comprehension is successful, readers are left with a sense of satisfaction from having understood the meaning of a text.

Questioning your child after they have read is a great way to help your child make meaning from the text.

Here are some examples of questions you can use when your child has read a story at home.

- What are the major events in the story?
- Where or when does the story take place?
- Describe the main character.
- What is the problem in your story? How was the problem solved in the story?
- What was your favourite part of the story? Why?
- A place in the story that I would like to be is ___ because ___.
- What if you were the main character, what would you do?
- How did the character grow or change in the story?
- Start at the beginning and tell me what happened in the story.
- Does this remind you of any other book you have read? How?

P&F Executive Team

I am pleased and honoured to be representing the School Community again this year as P&F President. A huge thank you to all those parents, staff and teachers who have shown me tremendous support and encouragement to continue in my role. I’m very excited as to what amazing things the P&F will achieve in 2013. I would also like to congratulate 2 of our new executives Sharon Hutchison (Treasurer) and Nancy Carter (Vice President). Thank you, in advance, ladies for your time and commitment that these roles require. Thank you also to Cheryl Abuid, Tanya Shepheard and Wendy Duffy for the work you have achieved on the P&F Executive Team over the past 12 months. You all have left us with a great framework to continue building upon.

Rhonda Verheijen
P&F President

April P&F Meeting

Due to overwhelming feedback from our school community, the decision was made to hold 2 P&F Meetings this Semester at 9am, instead of the usual 7pm time, to allow all those families who are unable to get to the night time meetings. This is a trial run and will be voted on at a meeting in Semester 2 depending on how successful they have been.

So put these dates in your diaries now… Tuesday 16th April @ 9am and Tuesday 11th June @ 9am…

Small children are welcome to join us at this meeting… We will also be creating a toybox for the kids to play with so if you have any old “working” toys that you’d like to donate to the P&F please give them to the office. (Please no toys with small parts; only toys appropriate for children aged up to 5 years)…

Do you own a business or work for a company who you think might like to be a part of our Family Fun Day? Sponsorship Letters have been sent home so if you haven’t received one then please email the P&F for another copy. We are looking for 1 Gold Sponsor; 2 Silver Sponsors; 10 Bronze Sponsors.

Year Level Stalls

We are once again returning to the process of each year level running their own stall at this year’s Family Fun Day. This is the list of Stalls so far:-

- Preps – Cakes
- Yr 1 – Sweets & Treats
- Yr 2 – Pick a Jar
- Yr 3 - Novelty
- Yr 4 - Chocolate Toss
- Yr 5 – Science Lab
- Yr 6 - Lucky Dip
- Yr 7 - Books

Don’t forget if you’d like to run another type of stall for us we are more than happy to support your idea. Last year we also had numerous parents running stalls for us like the Cup Cake Decorating Stall so if you’d like to do something like that please let us know…

Parent Stalls

We are now calling for Parents who would like to hold a stall at this year’s FFD… It’s a first in best dressed scenario so, for example, we don’t have 5 Tupperware Stalls on the day. Parents do not incur a cost to hold a stall at the FFD however we do require an item be donated to the Cent Auction (to the value of $50)… So if you’d like a stall please email the P&F…

5 Stalls booked already so don’t wait BOOK YOUR STALL NOW!!!!

Cent Auction Coordinator

One of our Main Events on the day of the FFD is our Cent Auction and we are looking for someone and/or a group of someone’s to help run this stall. So if you think this could be you then please email the P&F ASAP…
