

*A word from
David Sewell - Principal
Jubilee Primary School*

Each year you could pick up your child or children from school over 200 times and many other parents do the same.

Your school does everything reasonable to ensure your children remain safe and do not get injured when being dropped off or picked up.

To further enhance the safety of your children Jubilee Primary School has adopted the Look Out program to make it easier and quicker for children to get to and from school.

Congestion is always a major aspect of any school environment. By using the Look Out program congestion will be reduced and children will be able to wait in a safe place.

Look Out can only work with the cooperation of everyone who uses the zone and a commitment to the program by your school and individuals alike.

This brochure explains how the program works.

Remember

The Kiss n Go 2 minute loading zone is enforceable by law. If your children are not able to be loaded within two minutes the law requires that you drive out of the zone.

You should either find a parking space elsewhere and locate your children in the school grounds, or join the back of the queue.

It is both illegal and inconsiderate to overstay your time in the loading zone.

your Road Safety Office

**A new approach to using the
Kiss n GO/2 minute
loading zone**

**This is for
the safety of
your
children**

THE LOOK OUT STEPS

Step One

Queue and display your family name tag on the dash.

Step Two

Wait while your children are called.

Step Three

Stay in your car until your children arrive.

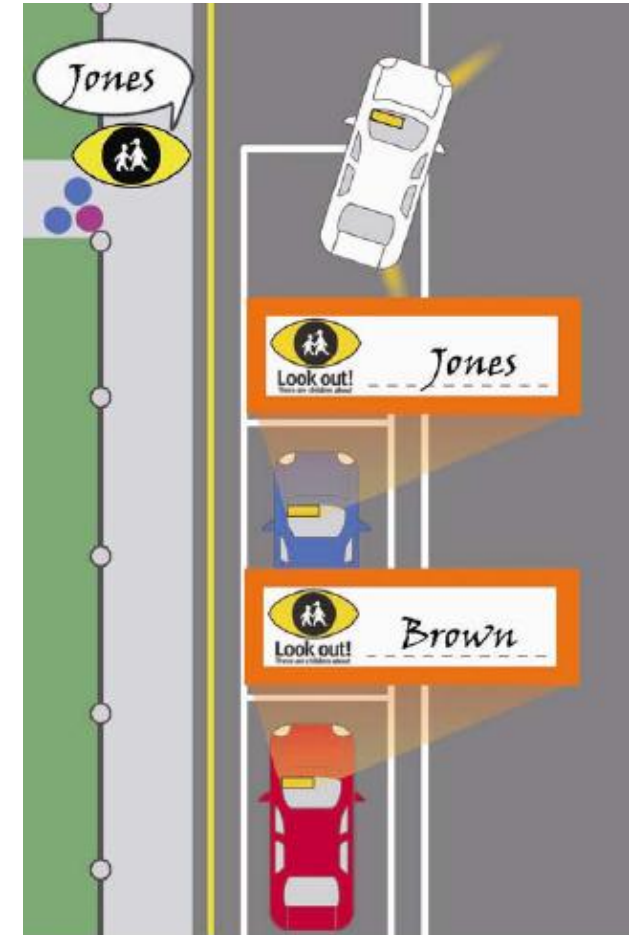

Step Four

Load your children & their bags without delay.

Step five

Ensure seat belts are secure then leave safely.

If your children are not ready leave the zone, then you must re-join the queue or find a parking space then look for your children in the school grounds.
