

### HOW TO USE THE LOADING ZONE

Your Kiss n Go Zone / 2 Minute Zone allows for the quick pick up of children during congested peak school "let out" times.

### THE CONCEPT

- Vehicles move slowly along the loading zone towards the front of the queue
- Children see the vehicle and are ready to get in
- The vehicle can be stationary for a maximum of two minutes *only*
- Motorists "give each other a fair go"

### RESPECT THE TIMING

- Do not stop for more than two (2) minutes
- Do not park in the zone and walk away from the car

### PICKING UP AND LOADING BAGS

- Plan your arrival time. - Does it have to be before students are released from class?
- Do you have older children? Could you ask them to be ready and waiting 15 minutes after school gets out?
- You can get out of the vehicle *only* to assist the children to load bags
- If your child is not waiting please drive away and return to the queue or park legally and walk to collect them
- Never **double park** to pick up children – it is illegal and dangerous
