**WEEDS IN MY GARDEN  
HOW NEGLECT CAN CREATE PROBLEMS**

One week ago, I surveyed the weeds growing in my yard.

There were a lot there, but they were only small, so I left them.

Today, after rain and warm weather, those little weeds, which were only a few centimetres high, are now strong and healthy plants up to a metre in height.

What would have been a relatively easy problem to deal with, has now become a much harder, and more time consuming task.

How much like life this is! We see things that we acknowledge as needing to be fixed, and tell ourselves that we will get to it one day. Then we find that it is much more difficult to overcome.

We may see wrong attitudes in our children, which are actually a mirror image of ourselves! There are habits that we know we have developed over the years, that we tell ourselves we will change one day. There is the neglect of family and friends, where we really did intend to visit, or email or call, but just did not take the time.

Perhaps you made a promise to yourself last year, that you would get to church at Easter. But that promise was neglected. The hot cross buns and Easter eggs are now prompting you that it is time to deal with this area of neglect. The longer we leave it, the harder it is to return.

I know that the children at Jubilee are getting lots of good teaching about the true meaning of Easter, but that is no substitute for each of us as parents to neglect our own personal contact with the true reason for Easter this year.

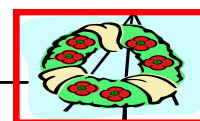

All the churches connected with Jubilee will be open and welcoming to all who wish to attend and celebrate Easter with us. Details of these services are included in this edition of the Jubilee Newsletter.

Don't neglect those little weeds that you have noted as areas of concern. The sooner they are attended to, the better the garden of your life will become.

Have a happy and Christ filled Easter.

Pastor Jim Hohnke  
Living Rivers Uniting Church.

## Jubilee at Upper Coomera Anzac Day March

Jubilee Primary School will be taking part in the Upper Coomera Anzac Day March Service on Monday 25th April as follows:

- 8.45am Assemble for the March at Oxenford Pony Club grounds (note road is closed from 9.00am to 11.00am)
- 9.15 am March to Cenotaph
- 10.30am March breaks up at Pony Club Grounds

Please ensure students wear full **Jubilee formal uniform** including hat and water bottle, and meet Jubilee staff at Oxenford Pony Club grounds at 8.45am(**change to start of march from previous years**)

Dear Parents, Staff and Friends,

My thanks to the staff, children and parents of our school for your efforts and enthusiasm during this very long first term. The first term is always a very busy one and can be very tiring for all at school. I hope that all members of our community find some time over the Easter break to recharge the batteries and spend quality time with family and friends.

I also encourage members of our community to spend quality time with their God over the Easter weekend. Wherever you are, please take the time to attend at least one of the Easter ceremonies so that the true meaning of the Passion and Resurrection of Jesus is brought home over the commercial hype that the season has become.

May our Easter break be a time where we take stock of the many blessings bestowed on us by our God. Too often in our hectic schedule we find ourselves getting caught up in menial and trivial incidents and issues. During the Easter break take time to enjoy and celebrate the important things in your life. Be sure to allow yourself to appreciate what is most important to you in this season of Easter.

#### STAFFING NEWS

I can now announce the following staff changes for Term 2:

Julie Weisfelt will be replacing Suzanne Neal in Prep F beginning on Wednesday, April 27.

Leah Carroll will be replacing Bianca Stenton beginning on Wednesday, April 27.

In other news, Renee Redman has tendered her resignation from teaching Yr. 2L, effective from today. Cyndy Dubain will teach this class until the end of Week 2 next Term. Zoe Parry will be returning from her maternity leave early to teach 2L from Monday, May 09.

I wish Suzanne, Bianca and Renee well and I thank them for their efforts during this hectic Term.

May God bless Suzanne and David, as well as Bianca and Dan during this special and precious time in their lives.

#### MPC NEWS

At this stage, we have resigned ourselves to the fact that we will not be in our new MPC until after the Easter break. So, whilst looking at the 'glass half full, this will be a great way to kick off the new Term. In saying this, I now fully expect that I have yet again jinxed the chance of us getting in. So let's wait and see!!!!

#### SPORTS UNIFORM

I have not looked at this issue this term.

I will be finalising our decision early next term and will have more information for you all then.

#### ANZAC CELEBRATIONS

Firstly, as a school we will be having our ANZAC Day Ceremony at 2pm this Thursday. This will be a very reverend and proud ceremony. I would like to extend a warm welcome to all of you.

Secondly, Upper Coomera march is taking place on ANZAC Day, Monday 25th April starting at the Oxenford Pony Club on Charlie's Crossing Road and marching to the Cenotaph on Oxenford-Tamborine Road, Upper Coomera. Jubilee students are asked to assemble at 8.45am outside the Pony Club where Jubilee staff (Miss Kristy Taylor and Mrs Helen Sheather) will be displaying the Jubilee banner, please wear full dress uniform.

Thirdly, Mr Brian Mason and Mrs Lisa Simpson will be taking our school captains to the 2011 ANZAC Commemoration Ceremony at the Shrine of Remembrance, ANZAC Square, Brisbane on Thursday 14th April .

#### SCHOOL FEES

Families who are yet to pay school fees are asked to do so before Friday. Please remember that it is school policy to take action to recover outstanding fees that are more than a term overdue. Sincere thanks to the vast majority of families who always keep their fee account up to date.

## A MOMENT'S THOUGHT

"Here is a test to find out whether your mission in life is complete. If you're alive, it isn't."

Richard Bach

Catherine and I were on our way to our nephew's birthday party one rainy Saturday morning driving along what some people call moose alley. It was early, few other cars on the road and we were looking forward to a good day spent with family. It wasn't that we hadn't driven this road before, in fact, many, many times through the bush-laden countryside. Suddenly seemingly out of nowhere, a moose darted out across our path. Fortunately, a quick swerve to the other lane prevented a full impact with only a collision on the right side of our car ripping off the mirror and embedding moose hair down the side of the car, and knocking the moose to the pavement.

By the time I stopped and looked back in my rear view mirror, the moose was getting up and then ran into the bush. Shaken but fine, we both looked at each other with a stunned expression. We both knew that moose accidents had claimed many lives throughout the years, and we knew we had been very fortunate to escape with only slight vehicle damage and no personal injury or worse. After a quick check of our vehicle, we started off again.

It took only a few seconds from start to finish in our moose accident but those few seconds in our lives have reverberated through time to this day. Why?

We had often talked about the frailty of life, the here today and gone tomorrow potential we all face but it had never been so personally realistic before. And, it wasn't that we haven't had friends, relatives, and colleagues die before, it was now much more personal. In the matter of seconds, lives can be irreversibly altered; death could have easily been the result.

The value of that one near miss with death has been a positive, a reawakening to the value of each day. Each one of us has only a limited time on this earth; no one can predict when your time will end. But, the time between life and death is a time to give thanks for each day, to see the sun rise again, to know that you can accomplish, can help, can assist others to appreciate their life if they are caught in the poor-me syndrome.

This moose accident also came to mind recently when the rebellion in Libya hit the news. A situation where lives can be changed in a flash, where a leader is killing his citizens knowing full well that lives seem only to be a commodity to be taken not preserved or helped. Every day we in the western world often take each day for granted, where far too many of us complain incessantly about not being able to do what we really want prevented in fact by our own lack of seizing the moment and where we have every opportunity to express ourselves.

Can you imagine how different your life would be if you awoke as a citizen in Libya today? Does this thought send shivers through your body and cause you to reflect whether you may not see tomorrow? It should.

I think the message is clear. Seize each day as if it is your last because that just might be the case. Take each day for the real gift it is; enjoy each day and add a joyful thought or a laugh or a simple appreciation to sit for a moment and enjoy the expression of freedom that it entails. You have a gift, a gift that is immeasurable in its own right. You can make each day a day of value, or you can choose to complain where you have the right to. What kind of day will you have now?

## School Banking at Jubilee in Term 2

If you are interested in opening a student account (fee free) so that your child can take part in school banking, please call in to see the friendly staff at Suncorp, Harbourtown, with ID for yourself and your child's birth certificate. All students that open an account will receive a small gift from Suncorp. Most students would have received their deposit books last week. Banking will commence in week two of Term Two.

## G'day from the APA

**G'day everyone !** It seemed at some stage we'd never get to this point, but here we are - the final week of Term 1!

And what a term it's been ! Here's just a 'snapshot' of what we've shared and achieved in Term 1, 2011...

- Opening School Worship & Student Leaders Ceremony
- P&F Welcome Family BBQ + P&F Meetings and events – *Thank You!*
- Prep 2012 Interviews
- Volunteer Training and volunteer work in classrooms, Tuckshop & Uniform Shop – *Thank You!*
- Yrs 3-7 Swimming Programme + Jubilee , District & Catholic Zone Swimming Carnivals
- Ash Wednesday and Lent
- Somerset Writers' Festival
- Yr 5 Camp at Midginbil Hill, NSW
- Yrs P-2 'Sportsmate' Motor Programme
- Staff First Aid Course
- Aquinas College Visit to Yrs 5-7
- "Wipe Out Waste" & "Bugs" visits
- Support for: Caritas 'Project Compassion'; 'World Epilepsy Day' ; 'Shave for a Cure'; 'Relay For Life'
- School Photos (2 days)
- Finalisation of new hall construction
- Assemblies - prayer presentations and worship opportunities; birthdays; sharing of personal joys & sorrows ...

WOW ! What a great effort ! And that's only a snapshot – I'm sure there are many things I've left out of this brief list! Clearly, there's never a dull moment at Jubilee... and always, with that great sense of community spirit and common faith. Take a bow, Jubilee !

**Special School Focus:** We bring Term 1 to a close with our current Special School Focus about self-control:

**"Make sure the things we do and say  
Brighten other people's day."**

I feel that the students benefit more from a pro-active approach like this, rather than from one which reactively rebukes them about negative behaviour. Thank you for your support of this initiative in our school.

**School Photos:** This is always a big project to manage effectively and I felt that the school photo process went extremely well last week. The photographers made several comments on both days about what a pleasure it is to come to Jubilee and how well behaved and beautifully presented the Jubilee students were – thank you for your support and co-operation in this regard. It would have been nice to have been able to use the new hall for the photos, but I am confident that the results of our work last week will be worth the effort. I'd like to publicly acknowledge and thank our staff for their great support and efforts as well.

**Holidays & Easter:** We have a really unusual situation coming up now, in which we go on holidays before the Easter long weekend, so it seems a little strange wishing you all Happy Easter this far out from the event. However, even this far out, my wish for each of you is the same... Have a relaxing and enjoyable holiday and a very special, peace-filled Easter with your families. As we remember the great sacrifice that Jesus made for us on Calvary and the great hope that he brings to us all through his resurrection on Easter Sunday, may you and yours be abundantly blessed.

Regards,

Brian Mason

(Assistant Principal, Administration.)

### Mothers Day Stall... Thursday 5th May

With the mother's day stall being the 2nd week back of term 2, the P&F are calling for volunteers to help with wrapping gifts (over the holidays) and for volunteers to help on the stall Thursday 5th May 8.30am to 12pm and/or Friday 6th May 1pm to 3pm. If you can help with either of these please email the P & F at [Jubileepandf@yahoo.com](mailto:Jubileepandf@yahoo.com). Please watch this space for further details regarding the stall and items that will be available on the day!

Dear Parents,

*Jesus told them,*

*“Come away with me.*

*Let us go alone to a quiet place and rest for a while.”*

Mark 6:31

Our busy and very long first term is now drawing to a close. Teachers and students are certainly looking forward to a break!

Over the years we have all become familiar with the advertising campaign which urges us to recognise the signs of driver fatigue and ‘Stop, Revive, Survive.’ This little slogan is the perfect reminder for us all not just on the roads, but also in our daily schedules. We need to take some time out of our busy schedules to ‘Stop, Revive, Survive’. We are all too familiar with the societal pressures to ‘go, go, go’. Sometimes the very best thing we can do for ourselves and our families is to stop listening to the pressure to be busy and instead enjoy the stillness.

Meditation is a powerful practice to encourage greater stillness for you. It is a way of prayer that leads us into the silence in the centre of our beings. The World Community for Christian Meditation (<http://www.wccm.org>) provides the following process for Christian meditation:

Sit down. Sit still and upright. Close your eyes lightly. Sit relaxed but alert. Silently, interiorly begin to say a single word. We recommend the prayer phrase, Maranatha. Listen to it as you say it, gently but continuously. Do not think or imagine anything spiritual or otherwise. If thoughts and images come, these are distractions at the time of meditation, so keep returning to simply saying the word. Meditate twenty to thirty minutes each morning and evening.

The times for Church Services over Holy Week and Easter are also advertised in this newsletter. As a Christian School we encourage families to participate as fully as possible in their Church community throughout the holiday period.

As a school community Jubilee will celebrate an Easter Worship on Thursday 28 April at 9:00am in the Multi Purpose Centre (or as a back up, the Bottom Covered Area).

#### **Jubilee’s Journey with Jesus**

This week we have our Holy Week Artscape on display in the Resource Centre. Teachers and students have presented some very creative responses to the events of Holy Week. Of course, the MPC would have been a preferred venue however, we’ve managed to fit it all in the Resource Centre....just. If you have 5 minutes to spare we welcome you to visit ‘Jubilee’s Journey with Jesus.’

#### **Baby Blessings**

This afternoon our staff will gather to celebrate the impending arrival of the newborns of Suzanne Neal and Bianca Stenton. We ask your continued prayers for Suzanne and Bianca, their partners and their new arrivals in this very happy and exciting time.

**Project Compassion:** Project Compassion, Week 6, brings you the story of Judy.

**Caritas**  
AUSTRALIA

Judy is a Murrawarri woman living in Western Sydney, who is a part of a Caritas Australia-supported training program at Aboriginal Catholic Social Services. Caritas has been working in partnership with Indigenous organisations and communities for over 30 years recognising that poverty and injustice can be found everywhere, not just overseas. Judy is an Aboriginal Facilitator at the centre providing support and training for community members. Your donation to Project Compassion helps Judy, and other Indigenous people in Australia, work towards a life of self-determination. [www.caritas.org.au](http://www.caritas.org.au) Photo: Danielle Lyonne

We have heard stories from communities in Nepal, the Democratic Republic of Congo, Bolivia, Vietnam and Samoa. We have been invited to respond in compassion to those living in poverty – people facing challenges, experiencing isolation, protecting their cultural identity, surviving trauma, living with disability and rebuilding after disaster.

Here in Australia our Indigenous sisters and brothers also work for justice. Judy, from Western Sydney, lives in a community that is in need of skills related to employment, health care, and education. A Community Centre supported by Caritas and managed by Aboriginal people nurtures spiritual and cultural well-being and provides practical skills training.

As the celebration of new life draws closer, we are reminded of the possibilities for renewal and hope in many communities around the world.

Jesus’ suffering, like the experiences of so many communities in our world, is shocking and real. Yet it is followed by the Resurrection. We emerge at Easter renewed and aware of our connection to others and capacity to make a difference in the lives of others.

Blessings to you and yours,

Chris

### Well Done "Relay for Life " Team

Our Fight for the Night teams have conquered our first Relay for Life!

Between our two teams we raised **\$7500** for the Cancer Council. We had people participate in the Survivors and Carers walk, but the highlight of our weekend was Wayne Christiansen dressing up for the "Mis-ter" relay. Wayne collected \$174 on this one and only lap - well done Wayne we are very proud.

We would like to thank Jubilee School and the Jubilee families and staff who donated to our teams and supporting us via our cupcake stall and our morning tea. Great effort everyone.

There is talk of doing this all again next year!!

### AWL Visit Tuesday 5 April, 2011

The second group of our AWL team travelled with Mrs Becky Edwards and Mrs Jonelle Betzel last Tuesday to the AWL. Thank you so much to these two ladies who volunteered to take this AWL Team for their first visit to the AWL. The team got to weigh some guinea pigs and rats to check on their health. Some of these are available for people to buy. They also visited the cats and were able to pat them. The AWL has lots of cats; some of them are so beautiful and would make good pets.

Last Friday we presented certificates and prizes to the winners of our Pet Pickies Competition. Thank you to all the people who entered. We raised \$121 for the AWL. A top effort!

Check out all the entries in the Resource Centre.

### BASKETBALL CHAMPIONSHIPS

Good luck to Ethan Lawson and Ethan Williams who will compete in the U/12 Division 1 Southeast Queensland Basketball Championships. Daniel Littman will compete in the U14 age group and we also wish him the best for the four day carnival. These highly regarded championships will take place in Boondall from the 16th to the 19th of April and we look forward to hearing how the boys go.

Ethan Lawson, Ethan Williams and Daniel Littman are all members of the Runaway Bay Seahawks and it is wonderful to see that their regular participation through training and games is leading to selection to play in these fantastic carnival experiences.

### BASKETBALL SIGN UP

Any boys or girls Grades 3 - 7 who wish to play Basketball in a team this year are asked to email names, gender and date of birth to Mr. Davies. We as a school have experienced the hospitality of The Runaway Bay Seahawks through the Gold Coast Blaze visit and the various giveaways the children received. It is this junior club (Runaway Bay Seahawks) who are inviting children with an interest in Basketball to try a new sport and maybe even become a regular weekly player, learning new skills, developing great fitness and meeting new friends.

Email / register your interest with Mr Davies and read the promotional advertisement which will be suitable for some students of various ages as well.

My email is : [addavies@bne.catholic.edu.au](mailto:addavies@bne.catholic.edu.au)

**Cross Country:** The School Cross Country Carnival is just around the corner. Students in years 3 - 7 will compete in their age groups; 2003 born, through to 1998 born. Students born 1998/1999/2000 will complete 3 km. 2001 children will cover 2km and those who were born in 2002 and 2003, will need to run 1 km. The date for this much enjoyed event is Friday the 29th of April. ( YES,THE FIRST FRIDAY OF TERM TWO. )

**Swimming:** Final swimming lesson for all tomorrow Wednesday 13th April. Normal lesson times apply for all Year 3 - 7 students. Let's all make a huge effort to have 100% attendance for this last swimming lesson for the term and I am sure your instructors will let you finish off the program with a HUGE SPLASH !!!!!!!!.

**Sports Equipment:** A huge thankyou to the many students who have helped Mr Davies set up and pack up play gear for Morning Tea breaks and Lunch breaks this term. You really are very special, caring and generous students. THANKYOU so much for your efforts and I apologise for not mentioning your names, as there are so many of you and I would almost certainly forget one or two names and I don't want to do that.

WELL DONE KIDS, YOU KNOW WHO YOU ARE AND I LOVE YOUR WORK !!!!

Many Thanks, Mr. Davies

### Thank you Athlete's Foot Helensvale

Jubilee Primary would like to acknowledge and thank the team at The Athlete's Foot Westfield Helensvale. So far this year they have donated \$365 to the Parents & Friends Association and last year we received \$465! # 2011 JUBILEE INAUGURAL CHARITY GOLF DAY

*P & F Challenge Cup*

Parkwood International Golf Course  
Napper Road, Parkwood

Friday 13th May 2011

Can you Imagine a day playing Golf with the  
Legendary "Tommy Raudonikis"?

That's right, you could win 18 Holes of Golf with this Rugby League Legend at our Charity Golf Day. Tommy Raudonikis is an Australian former footballer & coach. He played over twenty-nine Tests and World Cup games as Australia representative halfback & captained his country in two Tests of the 1973 Kangaroo tour.

*And if that wasn't exciting enough, also completing the Team will be our Principal Extraordinaire David Sewell & our Distinguished Deputy Principal Brian Mason...*

We are holding a "Silent Auction", where if you are the highest winning bidder, you will win 18 holes of Golf at our Charity Golf Day, playing with Tommy, David & Brian

So if you'd like to place a bid in our "Silent Auction" then fill out the form below... Either place it into the locked box in the office or email [jubileepandf@yahoo.com](mailto:jubileepandf@yahoo.com). Closing Date is 30th April 2011
