<td>The application was not successful. This prompted discussion on another environmental community grant previously received - the grant that funded the existing solar panels. It was commented that they are not of any benefit with only a small quarterly bill reduction of $8-$35. This has been looked into with a review of consumption being regularly obtained. Suggestion was made to have a complete review on the system in place with an assessment on how to best utilise the existing system and gain a larger benefit. L Vayro advised that this time last year it was asked through the school newsletter if there was a parent knowledgeable in this area to assist with this but there was no response. | 4. Family Fun Day | All rides and extras are booked. The four affiliated churches have all confirmed to be in attendance and year levels have started working on their class stalls. Confirmation from S Parry for the busking tent is required. Dunk the teacher has been cancelled due to the cost and the suggested replacement is Super Soaker which is at no charge making this attraction a possibility. Armbands will be sold on trybooking right up to the week before the FFD. After that it will be cash only outside the office. Pre-sale $25 or $30 on the day. Bulk flyer to be printed and delivered, advertisement on local community radio stations, shopping centre notice boards. Sid Cramp has offered to put up poster at Pacific Pines football club, he will also email the flyer to other groups for sponsorship. | B McLeod to email J Riddell FFD info for teachers J Riddell to follow up with Shane Parry re busking tent and speech and drama performances B McLeod to email FFD flyer and sponsorship letter to S Cramp. ### 6. Proposal to spend Chemmart funds

| J Betzel proposed to spend the $418 raised through the Chemmart Community Fund at the Chill Out Zone. The money would be spent on things such as hanging safe eggs, yoga balls, sandpit and other soothing or comforting items. All voted in favour of Janelle’s proposal (7 in favour, nil against). Proposal passed. |
| J Betzel to liaise with S Hutchison on best way to handle this expenditure. |

### New business

| 3L have been advised that Mr Mason will be away for the rest of the term due to having to take care of his elderly parents and all are asked to keep him and his family in their thoughts and prayers. Zoe Parry (3L) has stepped into his role until he returns. |

### Treasurers report

Dr Alex Douglas MP State Member for Gaven

Calling for pyjamas!

Dr Douglas is calling for Gaven constituents to donate pyjamas for children in foster care.

Please leave NEW pyjamas for boys and girls from birth to 17 years (summer or winter pyjamas)
at Gaven Electorate Office
4/12 Ferry Street Nerang, adjacent to the National Bank Nerang.

Monday to Friday 9am to 5pm

Did you know?

The Pyjama Foundation (PJF) was established in 2004 to transform the futures of children in care, by making a practical positive difference to their lives.

In 2013, there were almost 40,000 children aged from birth to 17 years in foster care in Australia. Each has a story that somewhat resembles the last and all are devastating. I invite you to help by donating pyjamas and coming for coffee....

Morning Coffee Date Claimer

9.00 am Thursday 12th June 2014

Dr Alex Douglas invites you to join him for morning coffee!

Stephanie from the Pyjama Foundation will speak about how you can get involved as a pyjama angel and be part of the Love of Learning Program which aims to improve children’s literacy and numeracy skills.

Please come along and learn more about the foundation and its invaluable work with children who need our support – enjoy a coffee, tea and a cupcake for a gold coin donation to The Pyjama Foundation.

Mr Sewell:

Telstra’s Kids Fund Grant (Unique ID: GYVWS3540)

Congratulations! We have great pleasure in advising you that your Telstra’s Kids Fund grant application has been successful. You will receive a grant of $1,200 to support your project, “Window Tint”.

Since 2002 the Telstra’s Kids Fund has distributed over $8 million, supporting more than 7,800 community projects across Australia. Initiated by Telstra Employees, we are proud of the way that the Telstra’s Kids Fund has improved facilities, programs and equipment for the benefit of local children and young people. We would like to acknowledge the Telstra Employee, Shane Wright, who submitted the application on your behalf.

To help us to pay your grant:
1. Please review your attached Grant Agreement and arrange for it to be signed by an office bearer of your organisation.
2. Scan and return the signed agreement to the Telstra Foundation by email TelstraksFund@team.telstra.com within fourteen days. Any delay in returning your signed agreement may hold up payment of your grant. Please note that the Telstra Foundation reserves the right to withdraw the Telstra’s Kids Fund grant offer if the signed Grant Agreement is not received by Monday 9 June 2014.
3. Your grant will be paid via direct deposit to your nominated bank account, within 28 days from the date the Grant Agreement is required to be returned.

To formally acknowledge your great work we will seek media opportunities in the local area.

Should you have any other grant enquiries please email TelstraksFund@team.telstra.com

We wish you well with your project, and hope that this grant will positively contribute to enhancing the participation of children and young people within your organisation and the broader community.

Yours sincerely

Community Grants
Supporting upstanding people with outstanding ideas

Dear Linda Vayro,

Thank you for submitting an application on behalf of Jubilee Primary School P&amp;F for the 2014 NRMA Insurance Community Grants program. We would like to thank you for the time and effort you put into preparing your application.

The NRMA Insurance Community Grants program received over 1,200 applications for funding during this grant cycle, but unfortunately we are unable to fund every project requesting support.

Your application was reviewed by our assessment panel against all applications received from Queensland organisations. On this occasion, we regret to inform you that we are unable to fund your application for the Window glare reduction project.

We feel it is important to provide you with feedback, and in assessing your application the Community Grants assessment panel has suggested that your application could benefit from a thorough review of the funding criteria and eligibility, as your request is ineligible for funding.

If you require further clarification or would like to discuss the feedback around your application in greater detail, we encourage you to contact the Community Grants Team on 1300 305 495.

We will inform you of our next community grant cycle and hope you will consider submitting an application in the future.

Thank you again for taking the time to apply. We wish you well in the progress with your project.

Yours sincerely,

The Community Grants Team

Minutes of Meeting

It's the 1st of June already! The past month has been busy with budget preparations. The Budget will be brought down on the 18 June 2014. Rate rises are to be kept to a minimum. In the next newsletter I will be providing details of my approved Divisional Local Area Works Divisional Allocation, which was formulated as a result of feedback from local residents, consultation with peak community groups, and sporting clubs.

Projects undertaken in Division 5 for the past month include:

PACIFIC PINES, PARK LAKE AND MAUDSLAND

Pacific Pines Hub - A Justice of the Peace will be operating out of the Hub every Tuesday morning from 9.30am to 10.30am. Mr Mehmet Tavli, Mehmet, a Pacific Pines resident, is also the President of the Pacific Pines Football Club. Penc Pineapple Playschool operates on a Tuesday from 10am and I am available at the Hub on Tuesday mornings from 9am to 11am for community consultations.

There will be a School Holiday Activity program running from the Hub during the upcoming June/July holidays. For further information: www.goldcoast.qld.gov.au/parks.

Pacific Pines Football Club - two recycled bus shelters have been installed at the far end of the field for additional shelter and seating. I am pleased that I was able to secure these shelters as they are high in demand for a number of sporting fields. The Gold Coast City Council has been replacing bus shelters around the City to comply with disability legislation.

Pacific Pines Junior AFL - a picnic table and bench seating will be installed near the Club House.

Park Lake Primary School - in response to the principal’s concerns, I have requested an investigation by council officers into improving the safety of parking in and around the School car park. I am advised that parents are illegally parking on the nature strip and backing out onto the road, which is a serious safety concern for the students. Additional yellow “no parking” lines have been painted in some areas.

Pacific Pines Primary School - additional yellow lines have been painted at the bus set down areas to prevent illegal parking during pick up and drop off times.

Park Lake - corner Greenway Boulevard and Catchlove Street - due my receiving a number of complaints by residents regarding safety issues at the existing crossing, council officers have investigated and made recommendations to extend the footpath for a further forty metres. A set of pedestrian ramps at this location will enable residents to cross where there is better line of sight to oncoming traffic. Residents are also concerned about speeding in this area, so please slow down.

Aquifiver Park - I have requested the investigation of a dog drinking fountain in this dog off leash area. A doggie litter bag dispenser has also been earmarked for this area.

NERANG, MT NATHAN

Nerang Skate Park - I was fortunate to secure council and federal government funding to support the painting of the Arthur Earle skate park toilet block by graffiti mural artist, Libby Hayward. It looks fabulous and depicts historical Nerang and the Gunyip legend.

Country Paradise Parklands - this place just keeps growing. In May Council’s Catchment Management unit together with the Riverkeepers and 250 volunteers planted 12,000 plants, partly funded by Divisional funds. This was followed by the Big Family Funanza and The Big Picture event a week later where over 4000 people attended.

Cardinales Baseball Club has been allocated $5000 from my Divisional funds for a contribution to capital improvements at their facility at Carol Moore Park.

Nerang RSL work continues with an estimated completion date of October.

Nerang PCYC Nerang BMX and Nerang Community Bowls - Work has now commenced on the car park for these facilities at the intersection of Cayuga and Mortensen Road.

GUANABA, WONGAWALLEN AND CLAGIRABA

Guanaba Rd Bridge. Work has commenced on the replacement of the old Guanaba Road bridge. Stage 1 works will comprise earthworks, road works and drainage for the southern approach to the new bridge. Stage 2 bridge construction works will commence in July 2014 and the final stage road works connections will be completed early in 2015.

EVENTS:

Pacific Pines and Community Expo -
Sunday 15 June, 10am-5pm. Now in its fourth year this event is getting bigger and bigger thanks to the efforts of the Pacific Pines residents group. Featuring kids rides, entertainment, small business expo and much, much more.

Contact Nikki on 0414 181 570.

COMMUNITY CONSULTATIONS

Nerang Library - every Wednesday 9 to 10am
Pacific Pines Hub - every Tuesday 9 to 11am.
