Minutes of Meeting

Date/Time:	15 July 2014
Location:	Meeting room, Jubilee Centre, Jubilee Primary School
Attendees:	Alfonso Calcagno, Brad Roberts, Nikki Gorry, David Sewell, Susan De Vere, Alison Pommier, Sharon Hutcheson, Nancy Carter, Linda Vayro, Jane Bourke, Sid Cramp
Apologies:	Belinda McLeod
Secretariat:	Alison Pommier

Agenda	Discussion/Outcomes	Action	Due
Item/Topic		Officer	Date
Welcome and apologies	Susan De Vere opened meeting at 7.14 with welcome and prayer.		
General Correspondence	See attached		
Business arising from previous minutes	<p>Change to By-Laws C Nash to re-write by-law, D Sewell still to make contact with C Nash. By-law to be re-written is the change from day to night meeting with option to revert back to day meeting if applicable at a later stage.</p> <p>Solar Panels Inverter ceased business last year. Purchased new Inverter on insurance claim so there should be significant difference to the next account. Currently \$60,000 worth of panels, not enough panels to make a difference so J Bourke is making application for grant to double the existing panels so a difference can be seen. These will be erected on the roof of the BCA or block 2. S Cramp announced that \$100,000 worth of new solar panel grants has been announced and will see if this can be applied for by schools.</p> <p>Newsletter Sponsors From April minutes - there are no paid advertisers on the Newsletter, the only advertising is no charge and is used by Church groups, out of school hours art classes, dance groups etc.</p> <p>Track day sausage sizzle D Sewell suggested either P&F or school should conduct the sausage sizzle. Voted unanimous for P&F to conduct this event. Tuckshop will be open</p>	<p>D Sewell to contact Carmel Nash</p> <p>J Bourke to apply for grant.</p> <p>S Cramp to see if solar panel grant can be applied for by schools.</p>	

JUBILEE PRIMARY SCHOOL

Minutes of Meeting

	<p>on both days 28 & 30 July with the BBQ to be held on track day only, 30 July. With order and pay on the day still to be confirmed.</p> <p>Funds raised from Chemart Chemist J Betzel is using money to purchase Chill Out Zone resources. If was going to use to purchase casserole bank freezer then could perhaps look at library resources instead.</p> <p>Telstra window tinting grant The windows of block 1, office facing side, learning support top and bottom windows were all tinted in the school holidays at a cost of \$2,200, the grant covered \$1,200 and the P&F covered the remaining cost of \$1,000.</p>		
<p>General Business</p> <p>1. Trivia night feedback</p>	<p>A great night was enjoyed by all. There were approximately 20 tables of 8. Thank you to S Parry for sound and all the parents who volunteered to help on the night.</p>		
<p>2. Fathers day stall update</p>	<p>J Bourke, C Misdale and B McLeod have been through the catalogues and selected some great new gifts which were approved for purchase by S Hutchison. These have arrived to be sorted in the coming weeks. Cara is no longer able to assist due to finding full time employment so a volunteer is again needed to assist J Bourke in this year's stall with the potential to take over the event next year. J Bourke is only available Monday, Tuesday and Friday afternoon.</p> <p>Suggestion was made to run the stall on Tuesday and Friday not Monday because students always forget money when its first day back after a weekend. N Gorry can assist some days. There is a lot on that week with eisteddfod on various days. Decision made for J Bourke to do Tuesday 2nd and S De Vere Friday 5th. A push will be made to sell the frames with residual frames being sold on Gumtree or family fun day.</p>		
<p>3. Family Fun Day update</p>	<p>All rides are now confirmed and extra bins have been approved, DJ Fluro Green, popcorn man are confirmed.</p> <p>St Mary's and Sand Wizard have confirmed they will not be able to attend on the day.</p>		

JUBILEE PRIMARY SCHOOL

Minutes of Meeting

	<p>There are 10 parent stalls and 8 Bronze sponsors confirmed and only 1 silver sponsor still needed. J Prasad will co-ordinate cash count and collection on the day for S Hutchison who will not be able to attend due to family commitments.</p>		
4. Casserole Bank	<p>Concerns were raised by various attendees so the decision was made that this will be a school activity not a P&F activity, however the P&F will supply the freezer.</p> <p>Janelle's group will co-ordinate this with relevant forms to be completed.</p>		
5. Planned expenditure for P&F funds once funds in bank are over \$20,000	<p>B McLeod has released the survey for suggestions for projects the P&F can fund. There have so far been 25 responses. This will be left open until the end of the week for response and suggestions.</p>	<p>B McLeod to compile results and bring to next meeting</p>	
Principals report	<p>P&F funds</p> <p>Further enquiry has been made into regulation regarding the maximum amount to be held in the P&F account at any one time. D Sewell emailed the Executive CEO of Catholic Education QLD, who said she was unaware of a mandate however thought that anything over \$10,000 was over the top, however P&F needs over \$10,000 to cover the costs of the Family Fun Day. A unanimous vote was agreed to hold \$20,000 and not below in the account.</p> <p>This created further discussion, N Carter asked if there is an amount of \$80,000 in the account it is unfair on parents who are paying levies each term which increases the amount held significantly, parents need to see constant turnaround of expenditure.</p> <p>Once the wish list has been compiled with results from survey decisions can be made. D Sewell would like to see P&F funds used for student resources ie: library books etc.</p> <p>At the moment the prep area needs to be done, turf removed and astro turf put down – should the school take from other items to fund this area. An action plan needs to be in place with annual plan this could then be in alignment with school annual plan, survey and combined ideas. IT roll out, learning space are all to figure heavily in next plan. The library is dated and limited to up to date</p>	<p>D Sewell to bring Strategic Plan to next meeting</p>	

JUBILEE PRIMARY SCHOOL

Minutes of Meeting

	<p>learning areas and needs to have some fun, colour and comfort put back in ie beanbags, curved table etc to create areas to suit all students in all grades.</p> <p>Interschool Sports GC north interschool sports D Sewell and A Davies are working with other schools to review the way these days are held aiming at moving away from cluster days. They would like to attract 6-7 schools in the area with 4 sports this year. Current participating schools are Assisi, St Kevins, Jubilee, Guardian Angels, St Francis Xavier and St Josephs.</p> <p>Learning forum The learning forum with parents was successful. The idea is to have a clear and strategic plan across all year levels which will be achieved by a complete review of homework.</p> <p>After School Care Building plans being reviewed for an extension under the year 6/7 block so after school care can relocate to more suitable premises.</p>		
<p>New business</p>	<p>P&F business directory 24 businesses already posted on P&F pages. Various businesses already but not limited to painters, tilers, driving instructors, photographers etc.</p> <p>Facebook page D Sewell will arrange J Riddell to attend to discuss the new facebook page, security and administration which will only be attended to by staff.</p>	<p>D Sewell invite J Riddell to discuss at next meeting</p>	
<p>Treasurers report</p>	<p>Trivia night raised \$1,957, report attached.</p>		
	<p>Official meeting closed at 8.45pm.</p>		
	<p>Next meeting to be held Tuesday 12 August at 7pm.</p>

This month I am providing details of my Divisional funding allocations for 2014-15. These allocations have been identified through community consultation with Division 5 residents and community groups and have been approved via Council's budget process.

2014-2015 Local Area Works Services and Programs

\$40k- Division5 Parks and Reserves- Minor Works

\$40K-Division5 Roads Drainage and Footpaths-Minor Works

\$45K- Divisional Donations to various community groups, charities and sporting groups.

\$80K- Division5 Concerts and Functions- this includes \$15K to Nerang Celebrates Xmas, \$10K to Pacific Pines Xmas, 15K to Pacific Pines Expo, \$20K to Gold Coast Folk Festival at Country Paradise Parklands. Also included in this allocation are minor community events, such as the Guanaba Rural Fire Brigade Community Day, Doggie Day Out at Park Lake, the Family Funanza at Country Paradise and Street Meets around the Division.

\$160K- Community Facilities Contribution to organisations occupying Council leasehold land in Division5. This includes \$100k to Pacific Pines Football Club for the expansion of Football Club and the Helensvale Pacific Pines Cricket facility.

\$20K- to Division5 Active and Healthy program, for Tai Chi, yoga, Mummyicious stroller activities, as well as School Holiday programs at Pacific Pines Hub and Skate parks.

\$15K- to Division5 Parks Activity Program which includes Movies in the Park and Music in the Park

\$45K- to fund a Community Development Officer for Division5.

\$10K- Contribution to Catchment Management to maintain the integrity and restore riparian vegetation of Crane Creek.

\$10K- Contribution to the Natural Areas Management Unit to maintain the integrity and restore riparian vegetation of Nerang's Upper catchment area.

\$10K- Division5 street tree planting.

\$80K- Contribution to Country Paradise Parklands, as a further contribution to the general improvement works and repairs as part of Stage 2 of the project.

\$60K- for a kerbside collection in Pacific Pines, Park Lake and Gaven.

\$55k- provision for upgrade of playground equipment in Carol Moore Park.

PACIFIC PINES, PARK LAKE AND GAVEN

This year's Pacific Pines Expo was the biggest and best ever. Over 5000 people attended. Thank you to the Pacific Pines Residents Group for the staging of this event.

The July School Holiday Active and Healthy activities at Pacific Pines Hub were a great success. On some days approximately 250 children attended the program. I will definitely be continuing with this program, as it clearly shows a social need.

Again there has been an increase in hooning in Pacific Pines. I have had discussions with Queensland Police to see what can be done. Hooning is a policing matter. Please contact the Hoon Hotline, on 13HOON (13 4666). If possible you should tell the operator: what the vehicle is and looks like, what hooning activity the vehicle was doing, the registration plates, the date, time and where the vehicle was.

NERANG HIGHLAND PARK

Country Paradise Parklands continues to undergo improvements as part of Stage 2. I am hoping that the disabled toilet will finally be completed within a few weeks.

The Nerang Aquatic Centre outside lap pool refurbishment is now complete. The temperature is a warm 31C.

The car park for the PCYC, BMX and Nerang Community Bowls is now finished.

I have requested an investigation toward options for safety improvement at the intersection of Yarrimbah and Dugandan Streets, Maclaren Road and the western most portion of Alexander Drive.

After much lobbying by myself and Golden Crest Manors' resident, Mr Burgess, I am pleased to announce that Translink will be providing a bus service to this residential complex which is home to some 500 residents. A bus stop just outside the complex is now in place.

GUANABA, MAUDSLAND AND CLAGIRABA

I wish to extend a big thank you to the Guanaba Rural Fire Brigade for coming to the assistance of a local family who lost everything in a recent house fire in the area.

UPCOMING EVENTS:

Sun. 14 September - **Doggie Day Out** - Flooded Gum Park, Park Lake

Sat. Sun 20-21 September - **Gold Coast Folk Festival**, Country Paradise Parklands, Nerang
