Dear Parents and Caregivers of Yr 4 & 5 Students in 2013,

Since our Anywhere, Anytime Learning Parent Evening held back in October, I have had a number of parents raise their concerns over the increase in cost of the 2012 Fleet compared to the 2013 Fleet. I have made the decision to have the School Budget absorb the difference in this cost, now resulting in parity between the 2012 Fleet price and that of the 2013 Fleet.

In other words, parents of students starting in Yr. 4 and 5 at Jubilee in 2013 from will pay $490 per annum rather than $550 for the 1 to 1 Program until your child moves to a secondary school in either 2015 or 2016. This is an offer of goodwill that I hope parents see as our commitment and belief in this invaluable program.

If you have any questions, queries or concerns, please don’t hesitate to contact me at school.

Thank you for your anticipated understanding and support.

Yours sincerely,

David Sewell
