The following is the story of a young Mum who started attending Newlife Uniting in November last year.....

"I grew up in a Christian family, regularly attending Church, Sunday School and, as a teenager, Youth Group. Even so, my circumstances as a child had left me feeling deserted by God, as a result, I hadn't been to a Church in about 25 years before walking through the doors of, not a church, but a basketball court, in November 2012.

The sermon I heard that first day was about Jesus (the Shepherd), going in search of the lost sheep (us/me). When I told my mother she laughed, knowingly, and said she and other family members had been praying for me for many years.

I continued going to the Newlife Church and on the 3rd of January I spoke to my mum and told her I was thinking about becoming a Christian.

That night, asleep in bed, I was woken by a bright white light on the ceiling of my room. Rays extended out of it - much like how you see a picture of the sun when illustrated. I initially felt fear, but almost immediately felt an immense sense of calm. The light descended from the ceiling and entered the center of my body, the rays spreading over me. It gave me a feeling of warmth and extreme calm. So much so, I went back to sleep, and I dreamt of Jesus. In my dream He was sitting on a rock in a field of yellow flowers, I was sitting at his feet, not as a grown woman, but as a child. We didn't speak to each other, He just sat quietly with me picking flowers. I felt love, peace and a strong feeling of safety.

I told my friend the next day of my experience and the dream. He has known me since I was 5 years old and was actually the minister of the Church I attended as a little girl. He explained to me that I had experienced a vision - from the Holy Spirit.
- It was a sign I could not ignore, God had spoken to me in a pretty big way......I became a Christian on the 9th of January.

I have suffered depression and anxiety for a very long time, this past month I have been reading my Bible and praying daily, I've pretty much handed my life over to God, trusting His plan for me, that He will keep me safe. I know that in the future I will face hard times, but with God by my side I will be able to turn to Him for help and guidance. My sister gifted me an app. (don't you just love technology) 'Jesus Calling'. I read it each day, absorbing the messages it gives me.

My story is one of testimony to God's never ending, unconditional love for us".

Newlife Uniting meets at Jubilee Primary School in the Multi Purpose Hall every Sunday at the new time of 9:00am. We have a church app., which can be downloaded, from the app. store on iPhone and Smart phones. Search for 'Newlife' to locate it. IT'S FREE! www.church.nu
Dear Parents,

Good communication between the home and the school has a significant effect on the service provided by the school. Without seeking to encroach on peoples' privacy rights, we are always in a better position to care for and assist your child if we are aware of any relevant issues affecting your child’s learning or general happiness at school (e.g., anxiety issues, bullying issues, homework issues, student relationship issues etc.).

Your child’s class teacher is usually your first point of contact. If you feel you need to speak with the school’s Leadership Team, after you have spoken with your child’s class teacher, then the following Leadership Team Mentor would be the next port-of-call:

P-3: Mrs Joanne Riddell;
Yrs. 4 – 7: Mr Brian Mason.

In saying this, as the Jubilee School Principal, my open-door policy remains for all students, staff and parents.

Thank you to those parents who are in contact when necessary and to those who show their appreciation for the care being shown by their child’s teacher.

2014 PREP ENROLMENTS

Due to the significant number of enrolment applications we receive for Prep each year and the large amount of current family siblings placed into Prep each school year, our vacancies are becoming extremely limited.

Current families at Jubilee are not required to go through the ‘Enrolment Interview’ process, but a reminder to families that you must still provide an enrolment application form as early as possible for each sibling due to commence their Prep year. By submitting these to our Administration Office as early as possible, not only ensures that we have the correct amount of places saved for siblings, but we are able to indicate to new families where they are positioned on a waitlist (in accordance to the enrolment criteria and the date the enrolment form was lodged).

Your diligence and support with this is greatly appreciated.

PARENT TEACHER MEETINGS

I would like to extend my sincere thanks to the large number of parents who attended the first parent meetings of the year, which were held last week. All meetings seemed well attended and we are thankful for parents taking the time to find out about the expectations and routines of the classroom. It was great to witness parents taking an active role in their children’s education.

Education today is all about partnerships. The strongest of these partnerships is the one between the home and the school. By working together, we can just about ensure that your child will have the best opportunity to reach their potential.

SCHOOL FEES

School fee accounts have been mailed last week. The due date for payment of accounts is 15th March. Any parents who are unable to make payment in full by the due date must contact me, prior to the due date to make alternative arrangements for the payment of fees. If you require a form for periodic payment (direct debit) of fees, please contact the school office.

My sincere thanks to the large number of families who consistently settle their accounts promptly.

PERMISSION FORMS

This year we are continuing to enforce the policy that students will not be able to attend excursions (including swimming) unless a signed permission form has been returned to the class teacher.

There is a legal requirement that we have signed permission forms from parents or guardians for each individual excursion or off-campus activity. It is also important that children learn to take responsibility for returning their permission notes promptly.

MESSAGES

There are times when parents need to get messages to their children during the school day. The usual way of doing this is for the parent to ring the school and one of the secretaries will pass the message on to the class teacher at an appropriate time. Only in emergencies would a parent normally be put through to a classroom to speak to their child.

Similarly, if a parent wishes to contact a teacher or other staff member, please see the teacher or staff member before or after school to make an appointment or contact the school office and the staff member will return your call at an appropriate time.

We try to keep interruptions in the classroom to a minimum during the school day. We thank you for your co-operation.

ANAPHYLAXIS AT SCHOOL

Allergic reactions are common and occur to many substances (triggers) in our environment. Most reactions produce symptoms, which are mild and although both- ersome, are seldom serious. The most severe and sudden form of allergic reaction is called anaphylaxis. Anaphylaxis occurs soon after exposure to a trigger and importantly, these reactions can be serious and even life threatening. There are a number of students here at Jubilee Primary who potentially may experience an anaphylactic reaction at some time. Over the next few weeks, I will publish relevant information about anaphylaxis, its triggers, how to prevent it, recognise it etc. If you have any questions or queries about anaphylaxis feel welcome to contact me at school.

THOUGHT for Your WEEK

You give but little when you give of your possessions. It is when you give of yourself that you truly give.

Kahlil Gibran

Every blessing for the upcoming week.

PRINCIPAL
G'day everyone. Welcome to Week 4.

P&F Meeting Last Tuesday 12 Feb: Last Tuesday night saw the first meeting of the Jubilee Parents and Friends Association. As is usually the case, it was an enjoyable gathering and a positive way to get the year underway. All parents and carers of students at Jubilee School are members of our P&F Association and, as such, are welcome and encouraged to attend our monthly P&F General Meetings. General meetings take place on the second Tuesday of each month (except for holiday times) and are held in the Jubilee Centre meeting room. Our next meeting is the 2013 AGM on Tuesday 12 March, which includes the election of this year’s P&F Executive.

Yr. 7 Student Leadership Liturgy Postponed: Tomorrow our Yr.7 students and teachers were due to travel to Sacred Heart Church, Clear Island Waters to join Yr.7 students and teachers from all the Gold Coast BCE schools for a very special leadership liturgy, presided by our Catholic Archbishop Mark Colledge. We were notified today that this event has been postponed due to the ongoing inclement weather. We will advise you of the new date once it is determined.

Jubilee Swimming Carnival (Yrs 3-7): This Friday will see the running of our annual Jubilee Swimming Carnival again at Southport Aquatic Centre. Parents are asked to make arrangements for students to travel directly to the pool in the morning and to be picked up from the pool in the afternoon. Specific details are outlined elsewhere in this newsletter and in the note from Mr Davies. Parents, carers and grandparents are most welcome to attend, but please be aware that there are strict parking rules (& fines) in operation associated with parking in the pool precinct and the pool management charges an entrance fee for spectators as well. Reports say that the weather is due to clear towards the end of the week. Unless there is electrical storm activity or continuous very heavy rain on Friday, the carnival will proceed as planned.

Wipe Out Waste Program

Each year Jubilee welcomes the Gold Coast Council to our school to ensure students at Jubilee understand the importance of doing the right thing regarding rubbish. This year we welcome the team straight after the ‘Clean Up Australia’ campaign which will be held on Sunday March 3rd 2013. The following are the topics which will be covered from Prep to Year 7.

I would like to thank Margaret Kelly for organising these school visits each year. Here’s to a cleaner Jubilee and a clean environment here on the Gold Coast.

No School Assembly this Friday: Due to the Swimming Carnival, there will be NO ASSEMBLY THIS WEEK. Students in Prep, Yr. 1 and Yr. 2 will have classes as usual. Mrs Jeanette Conway will be Teacher-in-Charge for the day at the school, as the Leadership Team will be at the carnival (Thanks Jeanette).

Office Procedures and Protocols: Please note the following important points regarding some of our office procedures and protocols:

Late Arrivals - Any students who arrive after 8:40am must report to the Student Access end of the school office to be signed in and given late slips to take to their teachers. For a smooth start to the school day, it is very important that students arrive at school on time and ready for the day’s learning.

Early Departures - Parents/carers wishing to collect students early for appointments or other commitments are asked to report to the Main Entrance of the school office to sign the students out. The office staff will call the class teachers and ask for the students to be sent down to the office. Wherever possible, parents/carers are asked to give teachers notice in advance via a brief note and to try to collect students in the break times rather than during lesson times.

Absences – On occasions when students are absent from school, parents/carers are asked to please advise teachers as to the reason for the absence, either by email to the teacher or phone call to the office on the day of the absence, or by note upon the students’ return.

Messages to Students via the Office - While we are always willing to assist, it is important that we minimise interruptions to the teaching and learning in our classes. Please keep requests for messages to be passed on to students to only urgent or important matters.

Property: Please ensure that ALL items of property are clearly labelled with each child’s name. Without clear labels, it is difficult to return lost items to their rightful owners.

Thank you in advance for your support. Have a great Week 4 everyone!

Cheers,
Brian Mason, APA
Year 7 Leadership Induction Ceremony – 9.00am Monday 25th February

Jubilee Centre

Next Monday we will induct our Year 7 student leaders. I hope that the Year 7 students enjoy the privilege of leading our school community during 2013. Along with the student leaders we will also welcome and bless our Parent Support People who are charged with the responsibility of uniting the parents of their respective grades. I look forward to working closely with both the parents and students in taking forward our school vision and mission.

Project Compassion

Just a reminder, that throughout this season of Lent, we will be supporting Caritas in raising money for Project Compassion. I encourage to you to talk with your child about the reasons why we support these charitable organisations and ways in which they can assist in raising money.

Yours in Faith

Jo Riddell

Weekly Update with Alistair Davies

Swimming Carnival 2013 Friday 22nd of February at Southport Pool (8.40 am – 3.00 pm)
It looks likely we will have a few showers towards the end of the week. Please come prepared for changing weather conditions throughout the day. A few showers will certainly not deter us from a great day. An extra towel, waterproof or spare long sleeve top will ensure children stay more comfortable during the day. Please be aware that there are no spare bookings at the pool to re schedule this carnival, so only extremely heavy rain or storm scenario’s will cause a cancellation. If you are in any doubt, please check the school website for any change to the scheduled day.

A program of events will come home prior to the carnival.

ALL SWIMMERS MUST WEAR A SWIM CAP - This is a compulsory requirement of Brisbane Catholic Education

Total Football Academy (Soccer) for Prep - Yr.4 students starts tomorrow after school for those who have registered. Please refer to last week’s newsletter for a registration form should you be interested in being part of this 6 week program.

Basketball Coaches and Teachers Clinic at Carrara Stadium on Saturday 23/03/13 10.00am – 11.30 am. If you are interested in this free clinic, please email joel@gccrba.com.au

District Swimming congratulations to our 5 representatives at last week’s District Trials. Madi Boothman, Jackson Armstrong and Natsha Nair all competing for their first time at this level and all produced personal bests. Brodie Monaghan and Antonia Hurd both had magnificent performances and are now through to the Regional Championships. Antonia broke the 200 metre Individual Medley District record which had stood since 2002. Well done to all of our swimmers for their recent achievements and good luck for the upcoming school and regional carnivals.

Running Club Yr’s 4 – 7 Running Club commenced last week and it was great to see so many children in attendance. Any students from years 4-7 who wish to be part of this healthy pursuit should see Mr. Meiklejohn or Mr. Davies for a permission slip.

Inter-School Sport : Yr 5-7 Sport commences on Monday 25/03/13. Students have gone through a nomination process and will be put through selection trials in weeks 5 and 6 of this Term.

I am looking for any willing volunteers that would like to get on the fundraising train for the “World’s Greatest Shave” as we raise money for The Leukaemia Foundation and the wonderful research they are doing each year into the cause and cure for blood cancer. They are aiming to keep the services free for all the families and children that access them for support and assistance, and by raising money together as a team we can help.

This is the year that I (Mrs Hill from Prep F) will be shaving my long wavy locks off to support this cause; No. 2 all over! I am looking for any children or families that would like to join me on Friday 15th March to make this a team event. Please come and see me as soon as possible, so we can start working together to raise as much money as we can to help change the lives of people with blood cancer.

Thank you and look forward to your response,

Mrs Hill
