

JUBILEE PRIMARY SCHOOL SPORTS REPRESENTATIVE FUNDING PROCEDURE

Our Parents and Friends Association is proud of those students who excel at school sport and likes to support families of children who make representative teams. Parents should be aware that representation at all levels comes at a cost. Particular sports and the location of events may mean that significant costs will be incurred.

The P&F has set down a formula for the support offered.

When a child is in a **recognised school sport** and goes on to District, Regional, State and National levels, a certain amount of money is offered by the Parents and Friends Association to support these families.

FUNDING AVAILABLE ON APPLICATION

To be eligible for P&F funding the following criteria must be met:

- A student must be currently enrolled at Jubilee Primary School for the calendar year.
- The sport is recognised by QSS (QLD Schools Sport).
- The Principal has a copy of the selection letter stating the sport, date and location of the championships being attended.
- The application has the support of the Principal.

The P&F will support a family that satisfies the above criteria with the following amounts:

- South Coast Regional Team to compete at State - \$50
- QLD State Team to compete at National (held within QLD) - \$100
- QLD State Team to compete at National (outside of QLD) - \$200

The maximum sponsorship amount per family in any year will be \$500.

Additionally parents are invited to visit the Queensland Government Department of Communities website to apply for additional support:
www.sportrec.qld.gov.au
